POW WOW

In Los Angeles, Baldwin Hill Reservoir cracked, then broke releasing a torrent which wrecked hundreds of evacuated homes, but produced few casualties.

Sandy Koufax won two as the Los Angeles Dodgers beat the Yankees four straight for the world championship. At year's end, Koufax was named the league's Most Valuable Player. Right: James Whittaker of Redmond, Washington, became the first American to reach the top of Mt. Everest.

National Event

Quints were born in Aberdeen, S. D., and in Venezuela in the same week. Here two of the American quints pose for pictures before going home.

Lyndon B. Johnson of Texas took office immediately following President Kennedy's death and affirmed his intention of continuing the foreign and domestic policies of his predecessor.

Leaking gas exploded during the finale of an ice show in Indianapolis, killing and injuring many others.

Ransomed for \$240,000, Frank Sinatra, Jr. returned home safely two days after being kidnaped and posed with his sister Tina, left, and his mother, Mrs. Nancy Sinatra.

Accused slayer of President Kennedy, Lee Oswald, was shot fatally before national TV audience. Right: Mrs. Jacqueline Kennedy, Caroline and John, leave Washington for Christmas in Florida.

Review—1963

With the assassination of John F. Kennedy of Massachusetts, youngest president in U.S. history, the country lost a highly-regarded and remarkably capable statesman and administrator.

President DeGaulle of France, saluting, stands with German Chancellor Erhard, right, and President Lübke, as some heads of state gathered in tribute to the late President Kennedy.

President Kennedy, and soon-to-be-retired, German Chancellor Adenauer met in Bonn during Kennedy's successful ten-day tour of Western Europe.

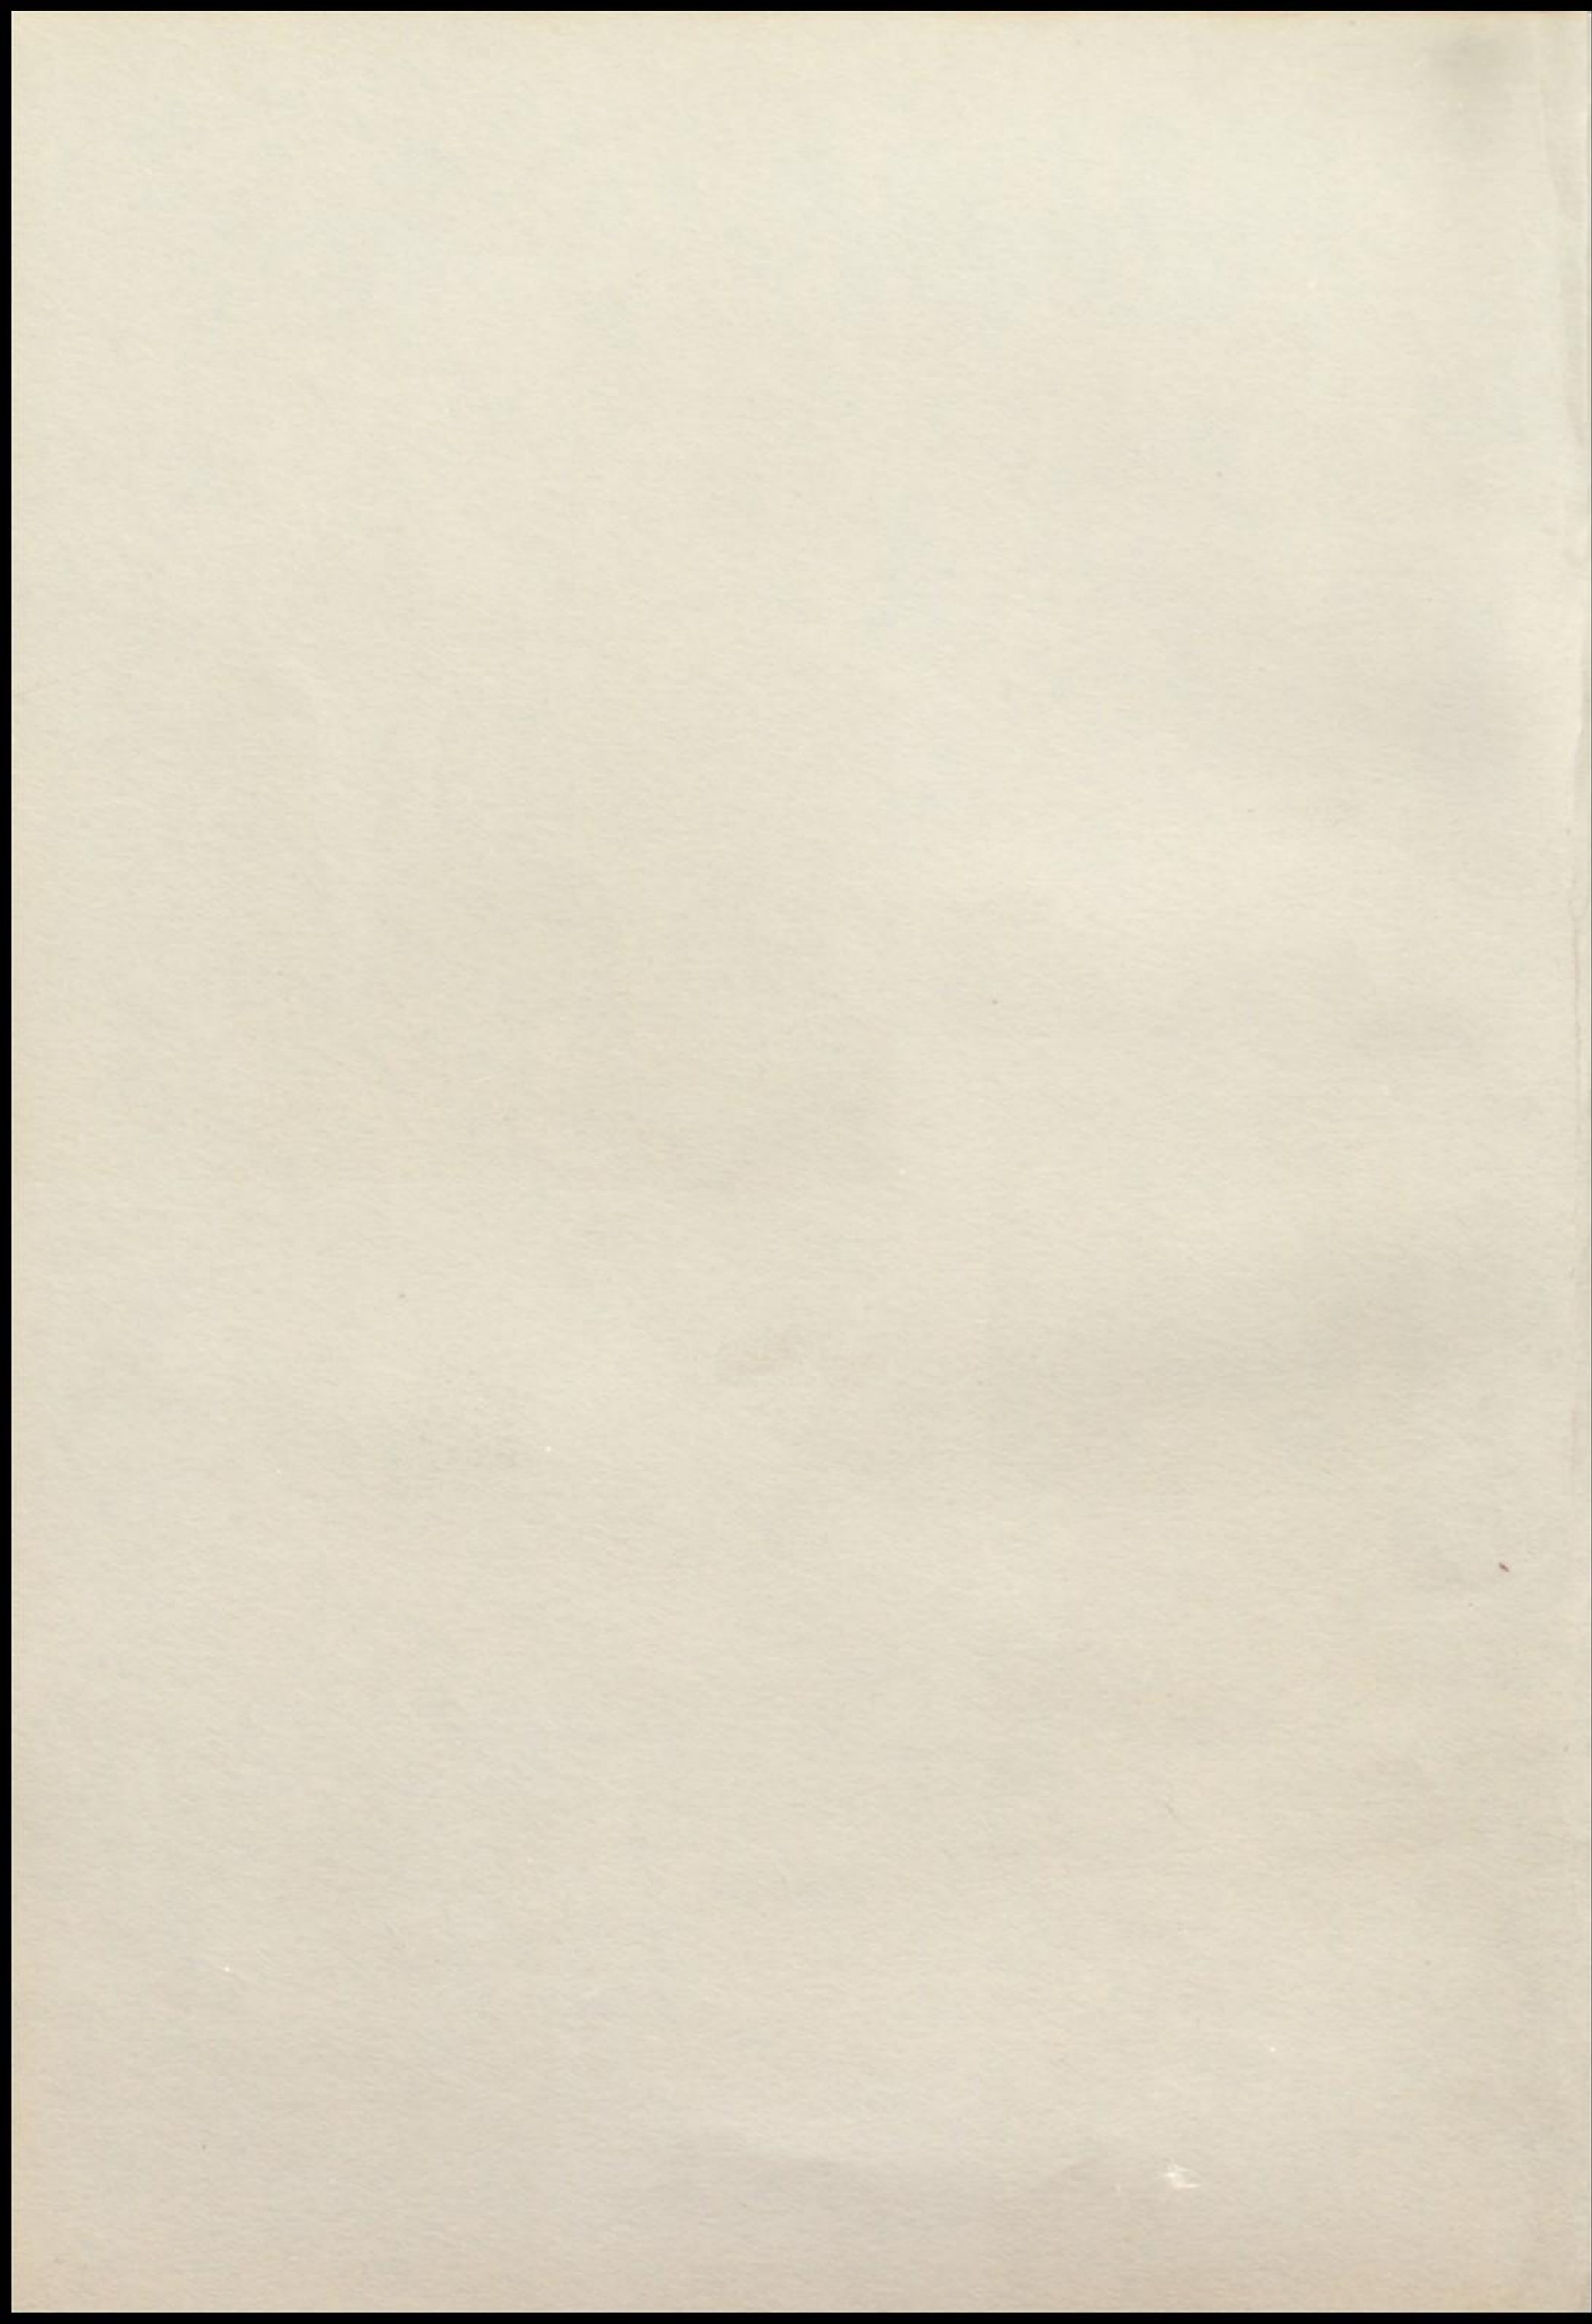

President Kennedy and then Vice-President Johnson (second from right) met with leaders of the August "March on Washington" dramatizing the nation's leading domestic issue in 1963.

Major Gordon Cooper received the Distinguished Service Medal from President Kennedy at the White House in May, following Cooper's 22 orbit flight and manually controlled re-entry.

Dedication

To the man who sets such a good example for us to follow, who never is too busy for a friendly chat or putting on an occasional pepfest stunt, who constantly strives to make Belgrade High School a better school to attend; whose friendliness and great sense of humor will never be forgotten.

To you, Mr. Phil Olson, the graduating class of Belgrade High proudly dedicate our 1964 Pow Wow.
